INTRODUCTION

SCHOOL MISSION AND PHILOSOPHY

The school's mission and philosophy statements serve as the basis for school programs, policies, procedures, and individual's actions.

Mission

St. John the Baptist Catholic School is an enduring community, welcoming students to be known and loved, to excel academically, thrive spiritually, and lead with generosity and joy.

Philosophy

The St. John the Baptist Catholic School community is a collection of learners who are dedicated to enhance the unique gifts God gave us, so we may do His will. We fulfill this purpose through the following means:

- **Praise and Understanding:** Prayer and religious instruction is integrated into our programs to give praise to the Lord, pursue an understanding of His will, seek His intercession in our lives, and encourage us to live by Christ's example of loving service.
- **Personalization:** We recognize and celebrate that each learner is unique. We strive to optimize learning programs to embrace and enhance each learner's personal gifts.
- **Focus on Learner Outcomes:** Our efforts focus on enabling each learner to grow towards excellence in their abilities and confidence in:
 - Their love of the Lord, themselves, and others
 - Their core skills
 - Their desire and ability to learn
 - Their ability to think critically
 - Their ability to collaborate
 - Their ability to create
 - Their desire and ability to serve
- **Service:** We undertake impactful service activities to do God's will and inspire all learners to live a life of service.
- **Collaboration:** We pursue this journey collectively via the communication and collaboration of our religious leaders, faculty, staff, students, parents, parishioners, and our broader school community.

SCHOOL HISTORY

St. John the Baptist Catholic School is located on Main Street in Vermillion, MN. The school is across the street from St. John the Baptist Catholic Church. The church was founded in 1882 by a group of dedicated German, Luxembourg, and Irish Catholics. The school was completed in 1958 and was staffed with sisters from the Sisters of Notre Dame Mother House in Mankato, MN. The Franciscan Clarist Congregation from Kerala, India joined the faculty in 1994 and continues to serve the school and parish.

Over the years, the school has served different grade levels ranging from Pre-Kindergarten

(Pre-K) through 8th grade, based on the school's enrollment trends and the changing grade levels offered by the Hastings Middle School. We currently serve 3-year old Pre-K through 4th grade. After leaving St. John the Baptist Catholic School, a majority of our students attend Hastings Middle School, Randolph Public School, Farmington Public School or St. Elizabeth Ann Seton Catholic School (Hastings), and St. Joseph Catholic School (Rosemount).

In 2005, due to lack of space in the existing school, the parish decided to add offices, a library, music room, classrooms, conference room, handicapped bathrooms, health care room for sick children, and a multi-purpose room to the existing school building. Construction started in March 2005. In October 2005, the new building was blessed and dedicated by Archbishop Harry J. Flynn.

SCHOOL ACCREDITATION

St. John the Baptist Catholic School is accredited by the Minnesota Non-public School Accrediting Association (MNSAA), which provides a framework for the best possible educational programs via intensive self-evaluation and independent oversight.

SCHOOL POLICIES AND PROCEDURES

PARENTAL ROLES AND RESPONSIBILITIES

It is the responsibility of the parents/guardians to be informed of the policies, procedures, and programs of the school. In assisting your child, we ask the following:

- Maintain familiarity with information contained in handbooks and other communications from the school.
- Comply with provisions outlined in this handbook and other school documents.
- Inform the school in writing of:
 - a. Student illness or absence
 - b. Parental status or custodial constraints
 - c. Change in transportation routine
 - d. Change in contact information including address, phone, emergency contact, childcare
 - e. Arrangement that might affect communication with the school
- Meet financial obligation of tuition, fees, lunch accounts, or other school-related financial accounts.

Attendance (Archdiocesan Policy #5210)

Students are expected to be present and punctual for all classes throughout the school year. Since instruction and class activities are planned in sequential order, the student's presence at school each day is very important. When illness or serious obligations to the family necessitate absence, the following procedure is to be followed:

1. Parent/guardian must contact the school before 9:00 AM (by phone, email or in person) on the day the child is absent from school and report the reason for the absence. If the child is ill, the parent/guardian must provide the symptoms of the child's illness.
2. Student will make immediate plans to do all make-up work due to absence upon return to school.
3. Parents/guardians must contact the school in advance of pre-arranged absences.

Tardiness and Absence

Students who arrive after 9:00 AM are considered tardy and will be expected to report to the school office.

The following guidelines will be used to determine tardiness and absence:

Tardy	Student arrives at school between 9:00-10:00 AM
Absent	Student is not present for an entire school day
Absent ½ Day	Student is gone for up to 3.5 hours of the school day

Release of Students During the School Day

Requests to be released from school (e.g. for doctor or dental appointments) must be made to the school office and the homeroom teacher prior to dismissal. Requests may be made by phone, email, or in person. Release of students during the school day due to illness or injury are addressed in the Health and Safety section of this handbook.

Arrival Before School

Children should not arrive before 8:30 AM. Beginning at 8:30 AM, students should line up in the designated area when they arrive at school.

Students arriving at school prior to 8:30 AM will be placed in BASE (before school care) and the student's tuition account will be billed accordingly.

Dismissal Process

At dismissal time, all walkers, bikers, and bussed students are to line up when called. The walkers and parent pick-up are dismissed first. Parents are to wait outside and an adult will come out and call the students. Parents may come in for business in the school office.

Recess

All K-4 students have recess immediately after lunch and an additional recess in the afternoon. Pre-K students have recess immediately before lunch, and then an additional afternoon recess at the end of the school day. Additional recesses may be added by teachers based on the needs of the students.

Students are expected to be outside during breaks and recess unless another adult-supervised activity is offered. Students who are well enough to be in school are expected to participate in outside recess. Therefore, they must be dressed for the weather. If inclement weather or severe temperatures warrant, recess will be moved indoors, and a teacher will supervise the students. Our school policy is to hold recess indoors if the windchill or temperature is below 0°F.

Valuables

School insurance does not cover loss of personal possessions. Therefore, students are to refrain from bringing anything valuable to school. When money is sent to school, it should be placed in an envelope and labeled with the student's name, grade, and the purpose for the money.

School Calendar

An annual school calendar is provided to all parents/guardians in the spring/summer preceding the start of a new school year. Updates are posted on the school website calendar. In addition, an annual-at-a-glance calendar is also posted to the school website. Paper copies are sent home in blue folders.

ACADEMICS

Curriculum

As a school accredited by the Minnesota Non-public School Accrediting Association (MNSAA), St. John the Baptist Catholic School meets the curriculum requirements for elementary education based on the MNSAA and Minnesota Department of Education requirements.

The St. John the Baptist Catholic School elementary education curriculum for Pre-K through fourth grade consists of an integration of instruction in several disciplines including religion, language arts, mathematics, science, social studies, art, music, STEM, and physical education with appropriate time allotted for each discipline.

Further information on the St. John the Baptist Catholic School curriculum can be found on the academics pages of the school website.

Religious Education

The formal study of the Catholic faith, as well as curriculum which reflects Catholic virtues and tradition, are integral parts of our total education. It is St. John the Baptist Catholic School policy that all students, including non-Catholics, attend religious instruction and liturgies. All students participate in religion classes.

Liturgical Participation

Classes at St. John the Baptist Catholic School take turns preparing the liturgy for the weekly school Mass, usually on Wednesday at 9:00 AM. Parents/guardians are invited to attend this school Mass.

Servers

Fourth grade students have the opportunity to serve as altar servers.

Sacramental Preparation

Preparation for the first reception of the Sacrament of Reconciliation and First Eucharist takes place in second grade. The Sacrament of Reconciliation is usually received in January. First Eucharist is usually celebrated in the early part of May.

Music

Music instruction includes singing, playing instruments, and note reading. Music class performance is included on students' report cards. A school Christmas concert is held

Library

Library time is provided periodically for K-4 students. The following rules should be followed:

1. Appropriate and quiet behavior is to be observed in the library.
2. All books are to be returned to the classroom book crate or the book cart.
3. Torn, damaged, or lost books should be reported immediately to the teacher. Students are responsible for paying for lost or damaged books.

Homework (Archdiocesan Guideline #6540)

Homework refers to tasks that a student is assigned to do on his/her own time after school hours. Homework assignments serve as a means of providing a bond of common effort between parent/guardian, child, and teacher. In order for homework to be effective, each participant (teacher, student, and parent/guardian) must understand and be committed to carrying out his/her responsibility. If any of the three (parent/guardian, teacher, student) do not fulfill their responsibilities, then the positive effects of homework will be reduced and may cause a negative impact on the student's learning.

Homework Responsibilities for Teachers

1. Communicate to students and parents/guardians the homework goals and expectations.
2. Set clear and concise expectations concerning assigning, returning, and evaluating homework.
3. Coordinate homework assignments with other teachers with whom students work, and who may assign homework.
4. Assign appropriate homework according to student needs.

Homework Responsibilities of Students

1. Know and understand the purpose of the homework assignments.
2. Record assignments, understand directions, and know what is required for completion of the assignments.
3. Complete and return assignments on time.
4. Understand which assignments are to be completed independently and which assignments are completed as a team effort.
5. Complete assignments neatly and do quality work.

Homework Responsibilities of Parents/Guardians

1. Maintain a positive attitude towards learning and the value of homework.
2. Be aware of the homework policy and individual teacher requirements.
3. Help your child find a study area that is quiet and relatively free of distractions.
4. Be patient with your child and praise him/her for any effort made.
5. If the child has trouble understanding directions, help her/him with explanations. Do not complete the homework for the child.
6. Look over the assignment to affirm completion and quality.
7. Sign and return assignments, assessments, or other materials as requested by the teacher.
8. Support the teacher and the child. Get both sides of a story before making a judgement.

Make-Up Work

If homework is to be picked up, please inform teachers in the morning who will come for the homework. Teachers will have assignments ready for pick-up after the regular school day. Teachers make all work at the same time and will not be required to make work ahead of time for students who will be missing. Students who go on vacation will receive make-up work when they return. This prevents teachers from spending time preparing twice.

Pre-Kindergarten Program

Pre-K classes are offered Mondays through Fridays during normal school hours. Students may either participate in half days (8:45-11:30 AM) or full days (8:45 AM - 3:30 PM). More information on the Pre-K program can be found in the Pre-Kindergarten program plan.

Title I

The purpose of Title I is to provide assistance by the state and local education agencies to meet the needs of children in the areas of reading and math. Title I services for St. John the Baptist Catholic School are provided in the school building.

Working with the classroom teacher, the Title I teacher or non-public school proctor identifies students and schedules them for appropriate, consistent Title I services.

Special Education

The special needs of non-public school students are addressed through the Hastings School District in three ways:

1. Classroom teachers see the needs of their students and consult with the Special Education teacher assigned to our school. Interventions may be suggested to meet the needs of the students. The needs may be in the areas of academic, behavior, health, speech, or motor skills.
2. If the interventions are not successful, the students may be referred for assessment by either the school or the parent/guardian. If the school initiates the assessment, written parental/guardian permission will be required. Once the assessment is complete, a meeting is held to report the results and possibly develop an Individual Education Plan (IEP).
3. The IEP includes goals to help improve the areas of need. The services may be direct or indirect. Indirect service is done at St. John the Baptist Catholic School. Direct service is done offsite and transportation is provided by the Hastings School District.

Promotion/Retention

Promotion/retention will be based on academic achievement and physical, emotional, psychological, and developmental maturity. In the case of retention, parents/guardians will be notified of their child's situation as soon as possible. If a recommendation is made to retain a child and parents/guardians reject it, the parents/guardians will be required to sign a waiver releasing the school of any responsibility.

Standardized Testing

Students are regularly tested for growth and achievement through a standardized testing program. At St. John the Baptist Catholic School, we utilize the NWEA Map/Growth tests. All students (K-4) will take the NWEA/MAP test three times per school year. K-4 classes take the growth reading and growth math tests. Third and fourth graders also take the language usage test. Results of each test will be shared with parents. Teachers use the testing results to help plan instruction and differentiate to meet the individual needs of all learners.

EVENTS

School Events

The school sponsors various special events during the school year to enhance the experience for the students and the entire community.

- **Christmas Concert and Caroling** - The school puts on an annual Christmas concert with two showings on the same day in the two weeks before Christmas. One showing is in the afternoon and one in the evening. The school carols around Vermillion in the hours before Christmas break. Parents are encouraged to join for both events.
- **Catholic Schools Week**- One week each school year is designated as a week of celebration and reflection on the benefits of Catholic education. Students and faculty participate in special events throughout the week. The week begins with an all school mass on Sunday morning, and ends with an all school mass and family picnic on Friday.
- **Grandparents' Day**- Students invite their grandparents to come to school to participate in an open house, attend mass, and enjoy a meal together.
- **Field Day**- This is usually held during the last week of school. It is sponsored and organized by the Home and School Association. The students participate in games for fun.
- **Classroom Parties**- There are three classroom parties during the school year: Halloween, Christmas, and Valentine's Day. Pre-K students have their party in the morning, and Grades K-4 parties are in the afternoon. Parties are organized by parent volunteers. All parents are requested to help with planning or helping at a party at least one time per school year.

FOOD SERVICE

Milk Program

St. John the Baptist Catholic School participates in the federal USDA special milk program. Under this program, the school is reimbursed for the milk purchased and therefore students receive it at a reduced price. Students have the opportunity to purchase white (skim) or chocolate milk for the school year. The kindergarten students are provided one serving of free milk each school day.

Lunch

The lunch schedule is as follows:

- Mondays- Pizza delivered to the school or bring-your-own lunch. Parents indicate the number of slices and make payment in September and January of each school year.
- Tuesdays, Wednesdays, Thursdays and most Fridays- Bring-your-own lunch
- Fridays- One Friday per month, there is a hot lunch provided for students. Sign up and payment for hot lunches is done at the beginning of the school year.

During lunchtime, our children are supervised. Lunch at school is part of the total learning situation, and as such, good conduct is to be expected. Table manners and other lunchroom conduct is discussed as a regular part of respecting others. No equipment is available for warming up food during lunchtime.

Food preparation is conducted in accordance with the Minnesota Department of Health food and safety standards.

TRANSPORTATION

Busing

Busing is provided free of charge by the Hastings School District, which has sole discretion, control, and management of the scheduling of routes, establishment of the locations of bus stops, manner and method of transportation, control and discipline of school children, and any other matters relating to transportation.

Hastings School District administration and/or the bus company annually, and as necessary, consult with St. John the Baptist Catholic School on attendance areas, safety, conveniences, and availability of space for the students.

Bus transportation is a privilege, so students must conduct themselves properly and respect the rights of others. The school bus driver is the authority on the bus and has been directed to maintain order to ensure the safety of the passengers.

Therefore, parents/guardians and students need to support the rules and guidelines regarding the safe transportation of students from the home to the school. Parents/guardians whose children do not follow the bus rules will be notified. Denial to ride the bus may be given for misconduct on the bus. Teachers are not responsible for student behavior on the bus.

Training for Bus Safety

Training in bus and pedestrian safety for students and teachers is provided each year.

Restriction - Bus Students Only

Only bus students are to ride the bus. Students are to go home on their assigned bus and get off at their assigned stops. If additional children are to be on the bus, the bus company requires permission from the child's parent who will be riding the bus, as well as from the parent at the location where the child will be going.

Eligibility

The students eligible for bus transportation furnished by the Hastings School District include the following:

1. Students in grades Pre-K through Grade 4 residing in the Hastings School District in the surrounding greater community of Vermillion. For exact information on your location, please contact the Hastings Bus Company directly at 651-437-1888.
2. All students residing or receiving daycare in an area from which the Hastings School Board has declared that it is hazardous for students to walk to school. Eligibility for students receiving daycare shall be determined by the location of the daycare residence and the Hastings Bus Company.

Field Trips (Archdiocesan Guideline #6630)

Field Trips are part of the educational program. These trips are designed to support the curriculum and introduce students to community resources. Students are expected to participate in field trips, and parent/guardian will be notified of the scheduled field trips.

All school field trips involve grades K-4 students. We typically travel by bus. Transportation for field trips that do not involve all K-4 students (i.e., "class field trips") is often times provided by parents/guardians in private vehicles. Parents/guardians will be notified, and the use of seat belts or car/booster seats is required. All private vehicles used to transport students must have documented current registration and proof of insurance. Each class is limited to two class field trips each school year, unless otherwise approved by the principal.

Transportation and activity costs associated with field trips are paid by the parents/guardians before the date of the field trip.

Insurance regulations of the Archdiocese require the use of the parent/guardian authorization form each time the students participate in a field trip. Failure to return the form means that the student may not go on the field trip and must stay at school. Phone calls to or from the parent/guardian do not fulfill the authorization requirements for participation.

Use of Private Passenger Vehicles for Field Trips (from Catholic Mutual Insurance)

The following requirements apply to the use of private passenger vehicles to transport students:

1. The driver must be 21 years of age or older.
2. The driver must have a valid, non-probationary driver's license and no physical disability that could in any way impair his/her ability to drive the vehicle safely.
3. The vehicle must have a valid and current registration and valid and current license plates.
4. The vehicle must be insured for the following minimum limits: \$100,000 per person/\$300,000 per occurrence.

A signed Driver's Information Form on each vehicle used must be obtained prior to the event. This form may be obtained from the school office.

Each driver and/or chaperone should be given a copy of the approved itinerary.

Use of 10-15 Passenger Vans is not allowed for the transportation of school-aged children. Both federal and state laws prohibit the transportation for school-aged children in these vehicles for school activities. The Archdiocese of St. Paul and Minneapolis has extended that ruling to include all children for any activity, in the interest of the safety of the children.

School Patrols (Archdiocesan Guideline #5840)

In accordance with M.S. 126.15, the school has a safety patrol program, which is operated under the supervision of the principal. A faculty or staff member assigned by the principal as the patrol director coordinates the program on behalf of the school.

Students in 4th grade are patrol members. The patrol director is responsible for supervision, appointment, and discipline of the patrol members. Students are expected to follow patrol leaders and obey the safety rules.

Early Release from School

Parents wishing to pick their child up from school early must first report to the school office. It is essential that we know this is happening. If someone other than the parent/guardian is picking up the child, he/she must have a hardcopy or electronic note from the custodial parent giving permission for this action. No child will be released without a note.

Parking

Parents may drop off and pick up their children at the main entrance of the school. Parents and visitors may park in the parking lot north of the main entrance.

COMMUNICATIONS

The school uses several means to communicate with parents/guardians and other school stakeholders. These include the following:

- **School Website-** sjb-school.org This website contains various information including key school policies, forms, and news.
- **Phone Calls** are used for routine communication between parents and the school. The school office phone number is 651-437-2644. A message can be left after school hours.
- **Emails** are used for regular communication between parents and the school (teachers, office, principal). Email addresses for school personnel are listed on the school website. The weekly school newsletter will be emailed to parents and linked to its location on the school website.
- The **Parent/Student Handbook** is issued upon admission of the family to the school. The document is also available on the school website.
- A **Communication Folder** known as the “Blue Folder” is sent home with students on Thursdays, as needed. It contains communications that are required in printed form and pertinent notices from the school. This folder will go home with the oldest child at our school. Families should send the folder back to school the next day for use at a later week.
- **Report Cards** are issued after the end of each trimester. Any questions or concerns should be discussed with the teacher as soon as possible.
- **Parent/Teacher Conferences** are held in October and March of each school year. A parent/guardian and/or teacher may request a special conference at any time as the need arises.
- **Family Mentor Program-** New Families are paired with current families to serve as a mentor and a source of information regarding policies, procedures, and events at the school.
- **Visit/Assessment Days and Preschool Open House** - K-4 visit days and Preschool open houses are held during the two weeks before school starts. This is a time for the students to get set up in their new classroom (e.g. meeting their teacher, putting their school supplies in their desk/cubby), students may take a short reading and math assessment, teachers to provide information on classroom procedures, policies, schedules, and expectations, and the principal to communicate key information

regarding the school (e.g., mission & philosophy, school policies & procedures, communication channels, personnel changes, etc.).

- **School Visits and Tours-** Past, present, and future families are welcome to arrange meetings with the principal to discuss any aspect of the school and/or tour the school.

Communication Procedure

To help with the lines of communication between teachers and parents/guardians, the following actions should be taken.

1. If the parent/guardian has a concern about what is happening in the classroom, please make an appointment with the teacher.
2. If you have met with the teacher and are not satisfied, then make an appointment with the principal. At that time, a meeting with the teachers, student, principal, and parents/guardians may be called.
3. If you are still not satisfied with the results of the meeting with the principal, then make an appointment with the canonical administrator (pastor).
4. If still not satisfied, a written statement may be filed with the School Advisory Council, who will decide whether to pursue the concern.

Refer to the “Grievance Policy” section of this handbook.

Parents and faculty are expected to be very cautious and professional when making comments regarding the school or teacher in front of students or parents. Negative comments greatly affect the outlook and behavior of the students and parents.

Contacting the School

The school’s office hours are 8:00 AM - 4:00 PM when school is in session. Voicemail is available for any messages. If a message is left, a representative of the school will contact you as soon as possible.

Telephone Usage

Students may not use the school telephone except in emergencies. Exceptions may be granted by teachers, the school secretary, or the principal.

Neither teachers nor students are typically called to the school phone during school hours. Messages may be left with the school secretary or the principal if it is necessary to contact either a student or a teacher.

Students may not use cell phones or smart watches during school hours. If they need to be reached, parents should call the school phone number. Cell phones are to be off and in backpacks. Smart watches may be worn if they are on school mode. Students may not take photographs with smart devices while at school.

School Closings

St. John the Baptist Catholic School follows the Hastings Public School District. If this district closes, starts late, or dismisses early due to severe weather, our school will follow suit. Closing announcements will be made through the following media outlets:

- Fox 9 TV
- WCCO 4 TV
- KSTP 5 TV

- WCCO 830 radio
- The school will send an email and post a message to the school Facebook page.

Student Records

The school collects and maintains the records of students while they attend the school. To transfer records, parents/guardians are asked to inform the school office as soon as possible when transferring a child to another school. School records will be sent directly to the new school on request of that school.

No one except appropriate school personnel, parents/guardians of minors, and students who have reached legal age shall have access to individual student records without either a subpoena or appropriate written authorization either from the parent/guardian (in the case of a minor student), or from the adult student or former student.

Parents/guardians may ask to review the contents of any records or data collected regarding their child. A written request must be made to the principal. Records or data may mean any or all of the following:

- Academic work completed
- Level of achievement (grades, standardized achievement test scores)
- Attendance data
- Scores on standardized intelligence
- Health data
- Family background information
- Teacher or counselor ratings and observations
- Verified reports of serious or recurrent behavior patterns

School Pictures

Individual student pictures are taken once each year. Notification of the date will be given in advance of the photography session.

Yearbook

The school publishes a yearbook each school year. Individual or classroom pictures are featured in the yearbook, as well as other photographs portraying the many activities and events of the school. Notification regarding the cost and time when the yearbook is available is sent to parents/guardians.

Party Invitations

Party invitations (e.g. birthday parties) are not allowed to be distributed at school unless every child in the class is invited in order to be sensitive to the feelings of other children. All invitations should be distributed or mailed from home.

ADMISSIONS

General Admissions (Archdiocesan Policy #5110)

No child whose parents/guardians desire to enroll him/her in a Catholic School in the Archdiocese of St. Paul/Minneapolis should be denied on the basis of race, ethnicity, or gender.

Every local effort should be made to provide each qualifying Catholic child the opportunity to attend a Catholic school regardless of the financial situation of the family. Families should seek the advice of their pastor if a financial problem arises.

Students are accepted in the following priority:

1. Current St. John's School students (Pre-Kindergarten through 3rd Grade)
2. Siblings of current St. John's students
3. Children of St. John's Catholic Church parishioners
4. Children of St. Mary (New Trier) and St. Mathias (Hampton) Catholic Church parishioners
5. Open to all

Waiting Lists

Waiting lists will be established when grades are filled. The decision to open another classroom will be made at a later date by the pastor in consultation with the principal and the School Advisory Council.

Non-Discrimination Policy

It is the policy of St. John the Baptist Catholic School to comply with state and Federal laws prohibiting discrimination, to the end that no person(s) shall be denied or excluded from enrollment or participation in any educational program or activity operated by the school on the basis of race, color, national or ethnic origin, gender, age, marital status, status with regard to public assistance, or disability.

Entrance to Kindergarten

St. John the Baptist Catholic School requires children who enter kindergarten to be five years old by September 1 of the year in which they will enroll. Exceptions will be considered under special circumstances.

Class Size

The maximum class size at St. John the Baptist Catholic School is 20 students per classroom for Pre-Kindergarten and 25 students per classroom for Grades K-4. All students beyond these numbers will be placed on a waiting list.

Transfer Students

All students transferring to St. John the Baptist Catholic School during the school year will be put on probationary status for a period of two weeks. After two weeks, the student's academic and behavior standing is reviewed and a determination made whether the probationary period will be extended to one month. After one month, another determination is made as to whether the student is able to abide by the rules of the school and whether their academic needs can be met by the school. The school administration may deny admission based on these factors.

Admission to the school is contingent upon having met all financial obligations at a previous private school.

STUDENT CONDUCT

In order to maintain a Christian learning environment, it is necessary to have a Code of Conduct which provides a safe and secure setting for students, faculty, and administration. Students are given clear and specific expectations as they are led toward becoming self-disciplined individuals. Students are responsible and accountable for their behavior and must accept the consequences for their actions.

St. John the Baptist Catholic School's Discipline Policy

St. John the Baptist Catholic School believes each student is responsible for his/her own behavior and in maintaining a Christian atmosphere within the school. The goal of our behavior code is to promote self-discipline. Respect for oneself, others, authority, and property, and the maintenance of a safe and healthy environment in which to learn is at the heart of St. John the Baptist Catholic School's philosophy of discipline. Students are to behave in a manner which is morally responsible and bring credit to themselves, their families, and St. John the Baptist Catholic School. Parental support is an important part of the school's discipline policy.

Positive Reinforcement/Rewards

It is important to have vehicles in place that promote and celebrate good behavior and student success. Positive reinforcements for appropriate behavior and academic progress/success may include, but are not limited to, the following: verbal recognition, award certificates, superstars and stickers.

General Rules of Discipline

All students at St. John the Baptist Catholic School are expected to follow the three general rules of discipline:

1. Treat everyone with kindness and respect
2. Respect all property
3. Respect students' right to learn and teachers' right to teach

Daily Living Practices

St. John the Baptist Catholic School's Daily Living Practices ("school basics") guide classroom behavior and are posted in each classroom.

2. I will treat others as I want to be treated
3. I will dedicate myself to learning
4. I will keep myself and others safe
5. I will make God's world a better place

We say the Daily Living practices each morning as our school pledge. Our teachers teach students about the Daily Living Practices, remind them of the Daily Living Practices when they struggle, and acknowledge students who live out the Daily Living Practices. They are also posted around our school with examples of how to follow them in the classrooms, hallways, recess areas, lunch areas, and bathrooms.

Alcohol/Chemical/Drug Abuse (*Archdiocesan Policy #5750*)

Minnesota state law directs all schools to develop comprehensive policies and procedures which will provide direction to all school employees, students, families, and community members so that chemical use problems will be properly addressed. The following are our policies and procedures in this regard:

1. Intervention for students who demonstrate behavior causing concern.
2. Mandatory counseling through a program approved by the school.
3. Penalties, including expulsion, if necessary, imposed by the school, and an appeal process that may be used by the student and his/her parent/guardian.

Hall Behavior

When walking in the hallway, students are expected to act in a respectful manner and reflect concern for the learning atmosphere by not running, by speaking only in a quiet voice, and by keeping their hands to themselves.

Students may not have gum at school.

Lockers

Coats and bookbags are hung in the lockers. Bookbags must fit inside the locker, and the locker door must be able to close easily. Boots are placed neatly under the lockers.

School lockers are school property. The school may inspect locker interiors at any time, for any reason, without notice, and without student consent.

Lunchroom Rules

1. Remain seated until the bell rings for recess
2. Demonstrate good table manners
3. Speak with regular classroom voices
4. Clean up their own untidiness

Sexual Harassment (*Archdiocesan Policy #3750*)

Sexual harassment is a form of sex discrimination. Sexual harassment consists of unwelcome sexual advances, sexually motivated physical conduct, or other verbal conduct or communication of a sexual nature. Sexual violence is a physical act of aggression that includes a sexual act or sexual purpose.

Each local school shall maintain a learning and working environment that is free from sexual harassment and sexual violence.

It shall be a violation of this policy for any student or employee to harass a student or employee through conduct or communication of a sexual nature. It shall be a violation of this policy for any student or employee to be sexually violent to a student or employee.

The local school will act to investigate all complaints, either formal or informal, verbal or written, of sexual harassment or sexual violence and to discipline any student, employee, or volunteer who sexually harasses or is sexually violent to a student or employee of the school.

Any person who believes he or she has been the victim of sexual harassment or sexual violence by a student, employee, or volunteer of the local school and/or catechetical program, should report the alleged acts immediately to an appropriate official (principal).

The local school is not mandated to report student-to-student harassment to child protection authorities unless the harasser is a caretaker. A timely and proper investigation of student-to-student sexual harassment complaints is essential. A detailed investigation report documenting interviews, conclusions, and recommendations should be placed in a sexual harassment file.

Advise the complainer, alleged harasser, and parents/guardians of the outcome of the investigation in writing. Warn the harasser in writing that he/she must not retaliate against the victim. Invite the complainer to report recurrences or retaliation and monitor the situation.

Playground Rules

1. Students are expected to walk their bicycles on the school grounds. Bicycles can be parked in the bike rack on the north side of the building. Bicycles are off-limits during school hours.
2. Students are expected to remain on the playground. Students may come into the building during playground times when a teacher or the principal has given the child permission.
3. Students are expected to play in designated areas away from the school building.
4. Touch and flag football are acceptable games. Unnecessary rough play, like tackle football and other dangerous physical contact games, are not acceptable.
5. For the safety of all, students may not throw snowballs or dangerous objects, including rocks and pebbles.
6. Students may not play near the dumpster.
7. All playground equipment has been provided for the enjoyment of the students. Students are expected to use this equipment in the correct manner. Those who take any items out are responsible for bringing them back and placing them in their proper spot.

10. Students are taught appropriate use of playground equipment. For example: No tag on the play structure, one at a time and feet first on the slide, no climbing on top of monkey bars.

The consequences for violations include, but are not limited to, losing recess, sit out, and/or detention.

Weapons/Explosives/Dangerous Items (*Archdiocesan Policy #5610*)

Students and non-students, including adults and visiting youth, are forbidden to possess, store, transmit, or use any instrument that is considered a weapon or a look-alike weapon in school, on school grounds, at school activities, at bus stops, on school buses or school vehicles or school-contracted vehicles, or entering upon or departing from school premises, property or events.

Students who possess, assault, or threaten with a weapon will immediately have their parents or legal guardian involved, an initial suspension up to ten days, and confiscation of the weapon. Following an investigation, the student may be expelled.

St. John the Baptist Catholic School takes the position of zero tolerance on real and look-alike weapons, including, but not limited to:

1. All firearms (whether loaded or not)
2. Other guns of all types including pellet, starter, or BB
3. Switch blades or automatically opening knives
4. Explosives, including firecrackers or live ammunition

Bullying/Harassment/Intimidation Policy

Created in the image and likeness of God, each child shares a fundamental human dignity. A Catholic school provides an environment dedicated to protecting and fostering the development of that dignity. The school helps children learn how to exercise their God-given freedom responsibly, with the goal that good choices become good habits, that is, virtues. The highest virtue is charity, which God both requires and makes possible. “Here is my commandment,” says Jesus, “that you love one another as I have loved you.” As bearers of the divine image, members of the school community deserve care and respect. Bullying and retaliation are not to be tolerated. This policy serves as a guide for when expectations of respect are not met and for when reconciliation and restitution are needed.

Definitions

For purposes of this Policy, the following definitions shall apply:

“Aggressor” means a student who engages in bullying or retaliation.

“Bullying” is the repeated use by one or more students of a written, verbal or electronic expression, physical act or gesture, or any combination thereof, that is objectively offensive, is directed at a Target, and that:

- Causes physical harm or emotional harm that results in clearly identifiable physical symptoms to the Target or places the Target in reasonable fear of such harm;
- Causes damage to the Target’s property;
- Places the Target in reasonable fear of harm to him/herself, or of damage to his/her property;
- Creates a Hostile Environment at school for the Target;
- Infringes on the rights of the Target at school, including defamation and invasion of privacy; or
- Materially and substantially disrupts the education process or the orderly operation of the school.

For the purpose of this Policy, whenever the term “bullying” is used, it is to denote either bullying or cyberbullying. “Cyberbullying” means bullying through the use of technology or any electronic communication, which shall include, but shall not be limited to, any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature, including a post on a social network, Internet website or forum, transmitted through a computer, cell phone, or other electronic device.

“Hostile Environment” means a situation in which bullying causes the school environment to be permeated with intimidation, ridicule, or insult that is sufficiently severe or pervasive to materially and substantially alter the conditions of the student’s education.

“Retaliation” means any form of intimidation, reprisal, or harassment directed against any person who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying.

“School grounds” means property on which a school building or facility is located or property that is owned, leased, or used by a school for a school-sponsored activity, function, program, instruction, or training.

“Staff” includes, but is not limited to, educators, faculty, administrators, counselors, school nurses, cafeteria workers, custodians, bus drivers, athletics coaches, advisors to extracurricular activities, support staff, and paraprofessionals.

“Target” is a student against whom bullying or retaliation has been perpetrated.

Prohibition Against Bullying and Retaliation

St. John the Baptist Catholic School expressly prohibits bullying in all forms, either by an individual or group of Aggressors. Bullying, including cyberbullying, is prohibited:

- On school Grounds owned, leased or used by a school;
- At any school-sponsored or school-related activity, function, or program whether on or off School Grounds;
- At a school bus stop;
- On a school bus or any other vehicle owned, leased, or used by the school; or,
- Through the use of technology or an electronic device owned, leased or used by a school

The use of technology or an electronic device that is not owned, leased, or used by a school to commit an act or acts of bullying that materially and substantially disrupts the education process or the operation of a school is also prohibited.

Reporting

Any staff or volunteer who has witnessed or become aware of any instance of bullying or retaliation must report that act to the principal. Any student or parent/guardian of a student are strongly encouraged to report all acts of bullying. Reports can also be made to the student’s teacher, who must then report it to the principal. Anyone with general questions or concerns about bullying or the school’s policy should address those questions or concerns to the principal.

Reports may be made confidentially when requested. Reports may also be made anonymously. However, the anonymous nature of the report may make it difficult to investigate or corroborate the alleged bullying. No disciplinary action may be taken against a student solely on the basis of an anonymous report. False accusations of bullying are absolutely prohibited and may result in discipline in accordance with the school’s discipline policy.

Retaliation

Retaliation against a Target, witness of bullying, a person who makes a good faith report of bullying, or who provides information during an investigation of bullying, is prohibited.

Response and Investigation

The school takes seriously all reports of bullying. Upon receipt of a report of bullying, the principal or his/her designee will conduct an investigation. When possible, the investigation will begin within three school dates of the report of bullying. St. John the Baptist Catholic School reserves the sole discretion to determine the scope and adequacy of the investigation. Anyone with questions about the investigation should direct those questions to the principal.

Violations

A student who violates this policy shall be subject to discipline in accordance with the St. John the Baptist Catholic School student conduct policy. The school retains the sole discretion to determine whether bullying has occurred and what the response should be.

Depending upon the circumstances, the school's response could include:

- Taking appropriate disciplinary and remedial action
- Notifying the parents/guardians of the Aggressor of the determination
- Notifying the parents/guardians of the Target, the Aggressor, and any other affected person about available community resources

Training

Training on this Policy shall be provided for St. John the Baptist Catholic School faculty and staff at least once every three years, and at the discretion of the principal for volunteers who have significant contact with students.

Publication and Notice

The principal or his/her designee shall provide written or electronic notice of this Policy to the St. John the Baptist Catholic School faculty, staff, students, and parents. Posting the Plan on the school website meets this requirement.

Consequence Expectation

If it is determined that harassment/intimidation/bullying has occurred, one or more of the following consequences may result:

- Administrative conference with the student (with or without parent/guardian)
- Assignment designed to increase awareness and sensitivity to the issue
- Detention per the St. John the Baptist Catholic School Student Conduct Policy
- Referral to an outside agency for evaluation
- Suspension
- Expulsion
- Referral to law enforcement for possible criminal action

Acceptable Technology Use Policy

The acceptable use policy gives direction on student use of personal and school issue devices while at school. St. John the Baptist Catholic School provides content filtering of inappropriate materials as able on school issued devices. St. John's also provides access to Google Apps for Education services. We reserve the right to review, monitor, and restrict information stored on or transmitted via school-owned devices and to investigate inappropriate use of resources.

Any attempts to bypass the network or filter or to modify the device operating system may result in disciplinary action.

Students are not permitted to download any apps on their school issued device. If apps are needed for educational purposes a teacher or the technology coordinator can download apps.

Cameras and Microphones

The Chromebook comes equipped with audio and video recording capabilities through a built-in microphone and camera. Improper use of these tools is not permitted.

There are appropriate academic uses for video and audio recording with the Chromebook. All electronic recordings created with the device must comply with St. John the Baptist Catholic School policies, State and Federal laws, and must reflect the mission and values of St. John the Baptist Catholic School. St. John's prohibits recording undertaken without the knowledge and consent of the person or persons being recorded. DRESS CODE

Children's actions directly reflect their appearance. Therefore, we ask our students to observe a standard of dress appropriate for a Christian learning environment. Conceptually, it is the school's goal for the student to maintain an appearance that is conducive to learning and to reflect good self-discipline. In an effort to adhere to this policy, the principal and faculty are obliged to interpret and enforce the policy as approved by the pastor.

See the *St. John the Baptist Catholic School Dress Code Policy* for detailed information.

HEALTH AND SAFETY

Emergency Information

All emergency information for each student is collected annually through the TADS online enrollment process. This information is stored in the TADS family information systems. A parent/guardian may update the information at anytime in their TADS account.

Health Records

A health record is maintained for each student. It is required that each student have a physical exam before entering kindergarten. Early childhood screening is also recommended, but not required prior to entrance into kindergarten. Immunizations, medication records, and vision/hearing referrals at a minimum will be maintained in the health record.

Physical Examinations

Each student must have a physical examination before entering Pre-Kindergarten and another before entering Kindergarten.

Immunizations (*Archdiocesan Policy #5810*)

St. John the Baptist Catholic School follows the requirements of the Minnesota School Immunization Law (Minnesota Statutes Section 123.70). All immunization dates are to be submitted to the school prior to a student's admittance to school. Parent/guardian is responsible for providing this information in writing to the health office and to update it each year immunizations are administered to the student. Each year the Annual Immunization Status Report will be submitted to the State of Minnesota as required by law.

Health Screening

Annual vision and hearing screening are conducted for Kindergarten, 2nd grade, and 4th grade students by the school nurse.

Medication During a School Day (Minnesota Statute 126.202)

It is our general policy that medication should be administered by the parent/guardian at home. However, there are times when medication needs to be administered at school.

Prescription medications required an order from a healthcare provider with the name of the medication, dose, route, time to be given, how often, and the name of the student. The order must be signed by the healthcare provider and parent. The medication must have a prescription label that matches the order exactly.

Non-prescription medication (over-the-counter medication) must be presented in the original container and with a form completed and signed by the parent/guardian. All medication will be kept in a locked drawer in the school office, not with the student. The school will not supply any medication for the student.

Allergy Prevention and Response

St. John the Baptist Catholic school requires that parents/guardians provide documentation of any known allergies prior to starting school. All students with a food allergy and all preschool students with any allergy have an allergy action plan. The school maintains current allergy information in each child's record which includes a description of the allergy, specific triggers, avoidance techniques and symptoms of an allergic reaction. Each student with an allergy has an allergy action plan which the school nurse helps the family complete. The school maintains a digital student health concerns document which includes all current known allergies. The school nurse shares this document with all staff on an annual basis. Student allergies and allergy plans are posted in the lunch preparation area and in the preschool snack area. Allergy action plans are also kept with student medication and in a folder for easy access both located in the office. Students with severe peanut and tree nut allergies sit at a nut free zone in the lunchroom. The school nurse trains staff on Epi-Pen use and response on an annual basis.

CPR and First Aid Training

St. John the Baptist Catholic School requires all staff to be CPR (child and adult) and first aid certified. The school provides group training to staff every August of an odd numbered year. Staff who are hired on the even numbered years are required to find a CPR and First Aid training to complete prior to starting. The cost is paid by the school. All staff are OSHA trained regarding Bloodborne Pathogens and Employee Right to Know at orientation and at least once each calendar year.

Illness or Injury During the School Day

If a student becomes ill or injured during the school day, a phone call will be made to the parent/guardian to come and pick up their child. No student will be sent home without a parent's/guardian's permission.

Absence Due to Illness

A student cannot return to school unless they are fever-free without fever-relieving medication and without vomiting and diarrhea for 24 hours. If your child has been placed on antibiotics for an infection, they must have been on them for 24 hours before they return to school. If a child has a rash of unknown origin, a note from a healthcare provider must be provided for their return.

Reporting of Child Abuse/Neglect (*Archdiocesan Guideline #5640*)

The staff members of the school are legally required to follow the requirements of Minnesota law pertaining to reporting child neglect and/or abuse, which may be summarized as follows:

- Staff members are required to report a suspected case of child abuse/neglect to the local law enforcement agency or social service agency.
- This must be done if they know of or have reason to believe there is abuse or neglect presently or has been within the past three years. A written report must be filed within 72 hours of the verbal report.
- “Neglect” is defined as failure to provide food, clothing, shelter, or medical care, and prenatal exposure to controlled substance.
- “Abuse” can be physical or sexual abuse, or emotional maltreatment.

St. John the Baptist Catholic School Emergency Procedures

St. John the Baptist Catholic School has established procedures for school emergencies. These are detailed in the school Emergency Crisis Management Plan. Key elements of this plan are summarized below.

Fire Drills

At least five fire drills are held each year. The following rules must be strictly adhered to for all fire drills:

1. When the fire bell is sounded, all students form a line and immediately walk out of the room and follow the route indicated.
2. A teacher or staff ensures that the classroom windows are closed, the lights are turned off, and the classroom door is closed after the last person exits the room.
3. Strict silence is to be observed leaving and returning to the building.
4. When outside, the teacher counts the class to account for all students and other from their classroom.
5. Students and teachers remain outside the building until the outside bell sounds or the principal or designated representative give the verbal “all clear” announcement.
6. Fire drills are times, recorded, and kept in the office.

Tornado Drills

At least one tornado drill is required annually. The following rules must be followed during a tornado drill:

1. Students from each grade line up silently and follow their teacher.
2. The teacher ensures that the classroom door is closed after the last person exits the classroom.
3. The teacher leads the students to the designated location where they assume the protective safety position (crouched on knees, head down, with hands and arms covering head).
4. The drill ends with an “all-clear” announcement.

Hazard Inspection

Teachers conduct daily inspections for hazards. Sharp articles, medicines, plastic bags, and chemicals are kept out of the reach of children.

Hazardous Spills

The school is aware of the hazardous materials in the school building and is prepared to deal with potentially dangerous situations. All hazardous materials are properly stored and labeled.

Potentially Dangerous People in or Near the School Building

St. John the Baptist Catholic School teachers and staff are trained in and will implement the ALICE process (alert, lockdown, inform, counter, evacuate) in the event of a potential threat. This process, which represents the most current national recommendations, is based on getting people out of harm's way using all available information regarding the situation (e.g. location and potential severity of the threat). This may involve "locking down" in the classroom (with the door locked and shades pulled) or exiting the building and relocating to one of the rallying points in Vermillion. St. John the Baptist Catholic School does not train or ask students to perform counter measures in the event of a threat. The students' responsibility is to follow the instructions of the teacher, staff member, law enforcement officer, or other responsible adults. The process continues until an "all-clear" announcement is made. Drills are conducted throughout the school year.

Visitors

St. John the Baptist Catholic School has a controlled-entry process. Exterior doors remain locked during school hours. All parents/guardians and visitors will be "buzzed in" by the school secretary or principal and must sign in at the office before going to a classroom. Visitors who wish to observe classrooms are asked to make an appointment with the appropriate teacher and sign in at the school office before going to the classroom.

Safe Environment Policy

The Catholic Community of St. John the Baptist will provide a safe environment for all that allows the gospel message of Jesus Christ to permeate our minds, hearts, and souls. As a Catholic Christian Community, we will give preferential care to the vulnerable in our midst.

FINANCES

Tuition

The St. John the Baptist Parish Finance Council sets the annual tuition rate. The tuition represents only a portion of the actual cost of educating each student. The remaining funding is provided by an investment from the St. John's Parish and surrounding parish and surrounding parishes subsidy, fundraising, and a small amount of state funds. Tuition rates are posted on the school website.

The St. John the Baptist Catholic School tuition policy is as follows:

1. No student will be refused admittance to the school because of an inability to pay tuition. Determination of financial assistance is completed by the pastor and principal in the spring of each year. A family must complete the financial aid application through the TADS system in order to be considered for financial assistance.
2. Tuition payment may be made in installments according to the schedule chosen on the Tuition Agreement in the TADS system.
3. It is the financial obligation of families to pay their tuition in a timely fashion. Tuition and fees are expected to be paid in full by the last day of the school year at the latest. If this is not feasible due to a family's financial circumstances, a written payment plan must be established with the pastor and principal.
4. All tuition and fees are paid through TADS, an enrollment and tuition management vendor contracted by St. John the Baptist Catholic School.

Fees

In addition to tuition, some programs, activities and field trips require an additional participation fee. These fees will be billed and paid through the TADS tuition management system.

Financial Aid

St. John the Baptist Catholic School is committed to providing high-quality Catholic education to those that desire it. To help achieve this purpose, two forms of financial aid are available:

1. **Grants** are provided to Grade K-4 students based on financial need. We are blessed that charitable foundations and individuals annually provide the school with funds for tuition assistance. To be eligible for assistance, a family must complete an online financial aid assessment through TADS (www.mytads.com). The school deadline is April 15, however other financial aid opportunities, such as Aim Higher and Catholic Service Appeal Foundation, have a deadline in February. The family must be in good financial standing with the school (i.e. paid in full or current on a payment plan) to be considered for financial aid for the next school year. TADS collects a small fee from applicants for this service. The information in the application is only accessible by the principal and pastor, and it is used to equitably distribute available funds. Awards will be announced in June of each year.
2. **Scholarships** are not based on financial need, but are offered to students meeting the criteria for which the donor established the scholarship (e.g. grade level, new students, etc.) Scholarships are not available each year.

Fundraising (*Archdiocesan Policy #4280*)

All fundraising efforts require prior approval by the school principal and pastor. This process eliminates scheduling conflicts and ensures compliance with the parish/school's mission statement and philosophy. Archdiocesan and legal regulations should be considered when planning fundraising programs/events.

St. John the Baptist Catholic School families are expected to participate in fundraising activities during the year. Major fundraising projects include the Marathon for Non-Public Education, the Catholic Schools Raffle, Bingo Fun Day and the St. John Parish Festival.

Budget Process (*Archdiocesan Policy #4210*)

The school's budget planning is a process that coincides with the parish's budgetary process. The budget preparation process shall include direction from the school principal, along with the pastor/canonical administrator and other appropriate person involved in the educational program. Budget planning considers annual goals and objectives as well as the long-range plan.

SCHOOL ORGANIZATIONS

Home and School Association

The Home and School Association is a key vehicle through which parents can provide service to the school (e.g. volunteering, fundraising, social events). It is the Home and School Association's responsibility to support the principal, teachers, staff, and overall school program.

The Home and School Association meetings are held five times per year - typically in September, November, January, March, and May. This is a casual setting and a time for parents/guardians to socialize and work on future projects. All parents/guardians of students enrolled in St. John the Baptist Catholic School are automatically members of this group and are welcome to the meetings. The Home and School Association has elected officials holding one-year terms.

Details on the function and operation of the School Advisory Council can be found in the Bylaws of the Home and School Association.

School Advisory Council

St. John the Baptist Catholic School has a School Advisory Council (SAC) that serves in a consultative capacity to the school administration. It is made up of parents and other individuals who believe in the mission and philosophy of the school. Members are appointed by the pastor to serve three-year terms.

The establishment of policy is accomplished through the activity of the SAC. The SAC is composed of the administrative team (pastor and principal) and the five to seven council members. When the SAC (administrative team and members) meets and agrees on a policy matter, it is effective so long as it does not conflict with Archdiocesan mandates or applicable law. The SAC's responsibility is solely for policy matters - it has no authority for the school's administration or daily operations, including employment-related matters for school administration, faculty and staff.

SAC meetings are typically held once per month as needed. Visitors wishing to make a presentation at a SAC meeting must request a place on the meeting agenda by contacting the

principal or the SAC Chair, verbally or in writing, at least forty-eight (48) hours prior to the meeting.

Details on the function and operation of the SAC can be found in the Bylaws of the School Advisory Council.

VOLUNTEERING

Parents are expected to become a part of the school's volunteer program. Volunteers are a vital part of the success of St. John the Baptist Catholic School and integral to the growth experience for all learners. There are many opportunities for parents to be involved. It is expected that each Grade K-4 family volunteer at least 30 hours during the school year (15 hours for Pre-K only families). Families not meeting their volunteer requirement will be charged \$200 in Tads in May of that school year. Our goal at St. John the Baptist Catholic School is for 100% participation by our parents.

Volunteer opportunities and requirements are found in the *St. John the Baptist Catholic School Volunteer Handbook*.

Safe Environment Training

In order to ensure a safe environment for our children, all volunteers will be required to:

1. Undergo a criminal background check which yields satisfactory results
2. Read and sign the Volunteer's Code of Conduct online and 123B on paper
3. Attend a VIRTUS safe environment training session

The Archdiocese is audited annually on its compliance with these requirements, which are mandated by the United States Conference of Catholic Bishops *Charter for the Protection of Children and Young People*.

If you have questions about the Charter requirements, or want to find resources for protecting children, please visit the OPCY website on archspm.org.

SCHOOL ADMINISTRATION

Archbishop

The Archbishop of St. Paul and Minneapolis holds the primary Canonical responsibility for all Catholic education and formation programs within the Archdiocese. To facilitate his role as the principal teacher of Catholic doctrine and to ensure quality Catholic education in the Archdiocese, the archbishop coordinates this ministry through the Office for the Mission of Catholic Education. The responsibility for the formal religious instruction of the faithful remains always uniquely with the Archbishop.

The Office for the Mission of Catholic Education Director shall assist the archbishop in his ministry of teaching to carry out the four-fold purposes of Catholic education: message, community, service, and worship.

The director shall provide recommendations and consultative services to the archbishop on the governance and operation of the education and formation programs of the Archdiocese. In addition, the director shall provide services to the pastors, principals, and school advisory councils. (*Archdiocesan Policy #2110 and #2250*).

Pastor

The Code of Canon Law states that the pastor is the shepherd of the parish entrusted to him by the bishop, and, as such, must carry out the duties of teaching, governing, and sanctifying. Therefore, the pastor should be the parish chief administrator of all education and formation (e.g. school and catechesis) and must represent the parish in all juridical matters. As chief administrator, the pastor shall be informed about all important and catechetical matters. (*Archdiocesan Policy #2110*).

The pastor, as chief administrator of St. John the Baptist Catholic School, assists the principal in the spiritual and intellectual development of the students of the school. He celebrates the Eucharist with them, directs the sacramental preparations, and encourages the teachers and the students through classroom visits.

Principal (*Archdiocesan Guideline #2301.2*)

The principal plays a vital role in the operations of a quality Catholic school. The principal is the educational leader whose role is invested with three types of responsibility: spiritual, academic, and professional.

The responsibilities of the principal should include, but are not limited to, that of faith leader, planner, organizer, director of school programs, supervisor of personnel, development of policy, management of daily operations of the school, and financial manager in the educational and formational processes of the school.

The principal is the administrator of the school. He/she works directly with the pastor for the spiritual and educational development of the school children. He/she has the responsibility for discipline, for the establishment and implementation of rules and regulations, and for setting a proper atmosphere in the school. He/she has the responsibility for the maintenance of records for academics and behavioral problems.

Faculty

The faculty of St. John the Baptist Catholic School is made up of full- and part-time licensed and accredited professional teachers who lead classes in all assigned subjects in accordance with the school's mission and philosophy statements.

School Administrative Assistant

The school administrative assistant duties include school receptionist, general office and clerical responsibilities, and student, parent, and teacher assistant. This position is supervised and directly accountable to the principal.

School Nurse

St. John the Baptist Catholic School received health services through the Hastings School District. The school nurse is employed, supervised, and directly accountable to the Hastings School District. The school nurse maintains school health and immunization records, conducts periodic health screenings, handles emergency medical situations, and oversee the general health of the student body.

Maintenance Staff

The maintenance staff is employed by the parish. The school principal coordinates all building maintenance needs with the maintenance staff.

Other Support Staff

Other support staff functions are called on as needed. These may include, but are not limited to, information technology (IT) support or food service support.

STATE AND FEDERAL PROGRAMS

There are several state and federal programs that non-public students may participate in on an equal basis with public school children. These programs are administered through the local public school district.

St. John the Baptist Catholic School receives state and federal entitlements allocated on a per pupil basis.

State programs include:

- **Education Aids for Non-public School Children-** provides textbook and related individualized instructional materials and health services.
- **Transportation-** Minnesota public school districts must provide "equal transportation" within the district boundaries. The public school shall have sole discretion, control, and management of scheduling, routes, bus stop locations, and discipline.
- **State Income Tax Deductions-** Taxpayers who itemize deductions may deduct for books, tuition, and transportation costs. The amount may vary from year to year. Please refer to your state income tax manual's directions.

Federal programs include:

- **Special Education**- Districts work with teachers to identify students and make available special education to all who are disabled, regardless of whether they attend a non-public school. The district must provide assessment, periodic observation, review of progress and establish an Individual Service Plan (ISP), which generally involves tutoring by a special education teacher.
- **Title I**- This program provides supplementary instruction in reading and math to students who have been identified as “at risk.” Computer-aided instruction may be an acceptable alternative to direct services.
- **Accreditation**- Non-public schools may choose to be accredited by a state recognized accrediting agency.
- **Compulsory Attendance**- Compels school attendance for children between the ages of seven and sixteen. It also requires non-accredited non-public schools to report specific information to the district superintendent. The schools must meet the Compulsory Attendance Law Reporting Responsibilities.
- **Dangerous Weapons Reporting**- Required public and non-public to report MDE (Minnesota Department of Education) incidents involving the use of or possession of dangerous weapons in school zones.
- **Immunization Reporting**- Requires non-public schools to report immunization records to the state, including conscientious objectors.
- **Non-Public Pupil Aids**- Provides financial assistance to non-public schools in three areas:
 - Textbook and instructional materials
 - Health Services
 - Guidance and counseling services (not received at St. John the Baptist Catholic School, since it is only applicable for students in Grade 7-12)

SCHOOL PLANNING

St. John the Baptist Catholic School maintains a strategic plan that sets the course and direction for the improvement of the school. This is a living document that is reviewed at least annually and modified as needed. Revisions to the plan are done with input from many stakeholders including the school faculty and staff, parents/guardians, the School Advisory Council, and the parish community.

REVISIONS TO SCHOOL POLICY AND THIS DOCUMENT

This document, including the school’s mission and philosophy statements, will be revised as needed, but at no less frequently than every six years. Substantive changes to school policy, including revisions to the mission and philosophy statements, will be reviewed by the School Advisory Council and approved by the pastor. Input will also be obtained from other school stakeholders, including parents and members of the parish.
