Principal's Corner

We had been holding out hope that we would have our students back in our building this school year, but that is just not meant to be our reality. I cannot tell you how devastated our teachers and staff are knowing that our school year will be not be ending as planned.

Based on today's announcement, we will continue with the status quo of distance learning through the end of the school year. Please know that Fr. Tix and I have spent the past week planning for this extended reality. That being said, in next week's newsletter we will provide detailed information on how the remaining 5 weeks will unfold for our school.

I cannot thank you enough for the partnership that you have formed with our teaching staff. I know that the education you are accustomed to at SJB may look a little different right now, but the high quality and academic standards are still in place.

Blessings,
Dawn Biren

Relevant Radio Fundraiser

Many Catholic schools, including ours, has received scholarship grants to use for financial aid in past. We thank them greatly for their generous past gifts.

A generous donor has pledged a \$300,000 matching gift to help Catholic schools! There are several ways to donate – via mailed response card sent to current Relevant Radio supporters in early April, by calling their donation line (877) 291-0123, or by donating online at this special website created for the matching gift: <https://relevantradio.com/twin-cities-fundraiser/>.

They are accepting donations towards this matching grant through May 31, 2020. Please help support Catholic schools in our community!
