May 28, 2020

Principal's Corner

With both sadness and joy, I am writing the final newsletter of the 2019-2020 school year. When I think about this past year, I remember the good times: our Summer Water Carnival, the Marathon, Advent Prayer services, Christmas Program, Catholic Schools Week, our new STEM Lab, and our Science Fair. At some moments, it seems like these events happened just yesterday.

This week we have been celebrating one of our graduating classes each day with a fun video posted to our school website and Facebook page. I am happy to announce that we will have a 4th Grade Graduation mass for our students and their families on Thursday next week. Due to COVID-19 restrictions and protocols, this mass will only be open to graduates, their families, and our staff. We wish these seven wonderful students the best of luck next year!

As we close the book on this school year, we begin to turn our attention to the 2020-2021 school year. While things will look different in our school building, what remains unchanged is the love that our community continues to, and will always, in support our wonderful school. I am grateful for being given the opportunity to lead this school over this past year, and I wish every staff member, student and all of our families a very fun and safe summer.

Blessings,
Dawn Biren

Happy Birthday!
May 30 - Gavin Rother
June 2 - Lily Beissel
June 3 - Braeden Lohmann

Drive Through Last Day of School

We are excited to see everyone next Tuesday, June 2 from 5-7pm...even if you will have to stay in your car. This is the opportunity for your family to say goodbye to our teachers for the summer.

Items to return to school:

- Chromebook with Charger
- School Library Books
- Classroom Books and Textbooks

Items to pick up from school:

- Summer Learning Packets
- Yearbooks
- Ice Cream Treat!

If you are unable to bring your child's Chromebook and charger to school this night, you must contact the school to make other arrangements. We will be doing a technology audit of all school devices during the month of June, in preparation for the 2020-2021 school year.

Please enter the front school parking lot and continue along the school building. There will be stations to drop off Chromebooks, drop off library books and classroom books, pick up Summer Learning Packets - Yearbooks, and finally to pick up your ice cream treat!

Summer Breakfast/Lunch

Hastings District will continue to provide breakfast and lunch meals to school age students during the month of June. Starting June 8, the pickup location will be our St. John's School. You can pick up three breakfast and lunch meals on Mondays from 11am-12pm and two meals each on Wednesdays from 11am-12pm. To register for this program, you must reply to the email you will receive from the Hastings.
