## Principal's Corner

Thank you all for making me feel so welcome in my first week at SJB. I am blessed to be joining your community. I have already been lucky to meet most of the staff and school advisory council. The First Communion service that was held last week was the most memorable I have ever attended. The Eucharist is such an important tradition to our Church and to me personally and seeing students take their First Communion is always a joy.

I look forward to meeting more parents and students as we get closer to the school year. The joy of being an educator is in working with your children and this prolonged separation from those students who I am so blessed to work with has me ready to see them soon.

I have set up a number of virtual sessions so I can interact with families in the next two weeks. You should have received an email with those session times and a link to join. Here are the times:

Mon 7/13 11:00-11:45am  
Tue 7/14 3:00-3:45pm  
Thur 7/16 5:30-6:15pm  
Mon 7/20 7:00 - 7:45pm  
Wed 7/22 1:00-1:45pm

## COVID19 Planning Committee

SJB is planning to be back to school in person on August 31. In partnership with the Archdiocese, we have created a committee to create a Pandemic Preparedness and Response plan. The goal of our committee is to create protocols for the safe return of students. Our protocols are intended to mitigate, not eliminate risks. Our goal is to have a rough draft of our protocols in place by the first week of August. Thank you for your patience with this important matter.

## Tuition Agreements

Please make sure you have completed your tuition agreement in tads by July 20th. Tuition payments begin in August and completing now will help you avoid any late fees. If you have any questions, please call me at the school office number.

## Referrals

Please let others you may be connected to know that SJB is planning to open August 31. We are thrilled to offer a \$250 tuition credit to anyone who refers a new family that enrolls at SJB before the first day of school.

## Congratulations!

Congratulations to the Franciscan Clarist Sisters. Their order is celebrating 50 years of service in the Archdiocese! What a blessing from God!

## Return to School Survey

As we plan for a safe return to school. We are collecting parent opinions., Please take a moment to complete the survey that was emailed to you.

Our mission is to inspire and empower all learners to become the best Christ-centered version of themselves by integrating Christian virtues, 21st century learning, and service
