## **FINANCIAL ASSISTANCE**

We are blessed with generous foundations and private donors to support the education of our students. We have two financial assistance opportunities for families, based on the age of the student.

### **K-4 Student Financial Assistance**

All families wishing to apply for financial assistance for their K-4 student(s) must complete an online application through the TADS system. This is a third-party organization who collects the required financial data from each family. Your individual financial documents will not be shared outside of this organization. TADS will provide the principal and pastor with a “recommended” family level of commitment to tuition. The principal and pastor will use this information to determine scholarship assignments from private donors.

Through the TADS system, each family may also apply for the Aim Higher and Catholic Services Appeal scholarships. You must check the boxes for these two scholarships in the TADS system to be eligible. These organizations will use the financial determination from the TADS system to make their scholarship awards. The application for these two awards is due February 23, 2024. Please plan to complete this early in case there are extra materials requested.

- To apply: If you currently have a TADS account, simply apply through that account. If you do not have a TADS account, contact the school office to establish an account.
- Awards: For applications received by February 23, 2024, the families will be notified by Aim Higher and Catholic Service Appeal by March 23, 2024 for award of either of these scholarships. For private scholarships families will be notified by the principal when a determination has been made. This typically has happened in June.

### **Pre-Kindergarten Financial Assistance**

The Schulze Family Foundation is once again offering the Schulze Early Learning Grant to Pre-Kindergarten students who are in their final year before kindergarten. This scholarship is meant for middle-income families, to help support a pre-kindergarten student in Catholic education. There is no deadline for this scholarship, as scholarships are awarded on a rolling basis. The earlier you apply, the better chance you have of receiving assistance for the 2024-2025 school year. Applications open November 1, 2023.
